

Jodo for Shoptype.

A service from the Jodo World Framework

“Designed to enable unified delivery of high-scale business transactions with communications for the ‘connected’, multi-device, multi-lingual, multi-media universe.”

Live Jodo Communications solutions power real-time conversations.

Jodo Co-Selling

Real-time Digital communications transform Co-selling experiences and business conversion rates in the "connected" business world

Go Direct - Connect customers, Cosellers, stores using Jodo API based on

- Customer Location
- Product Viewed or Selected
- Customer Language Preference

Compliance - All calls & conversations are recorded & stored for easy access.

Virtual conferencing for all users – Connect, Conference & Transfer calls to experts

Easy call handling from websites & Ecommerce sites **without 1800**

- Business calls can also be handled or connected to GSM numbers *(Only internationally not in India)

Realtime Analytics through Dashboards, Live visitor tracking & Reports directly integrated into the CRM

Jodo Co-Selling

Omnichannel communications for Collaborative Co-selling

Omni-channel & Multilingual connections using

- Jodo Call
- Jodo Video
- Jodo Chat
- Jodo Chatbots
- Jodo Social Media

Integrated content library & Easy Document Sharing With **Jodo Doc.**

- Brochures
- Manuals
- Videos
- & Much More

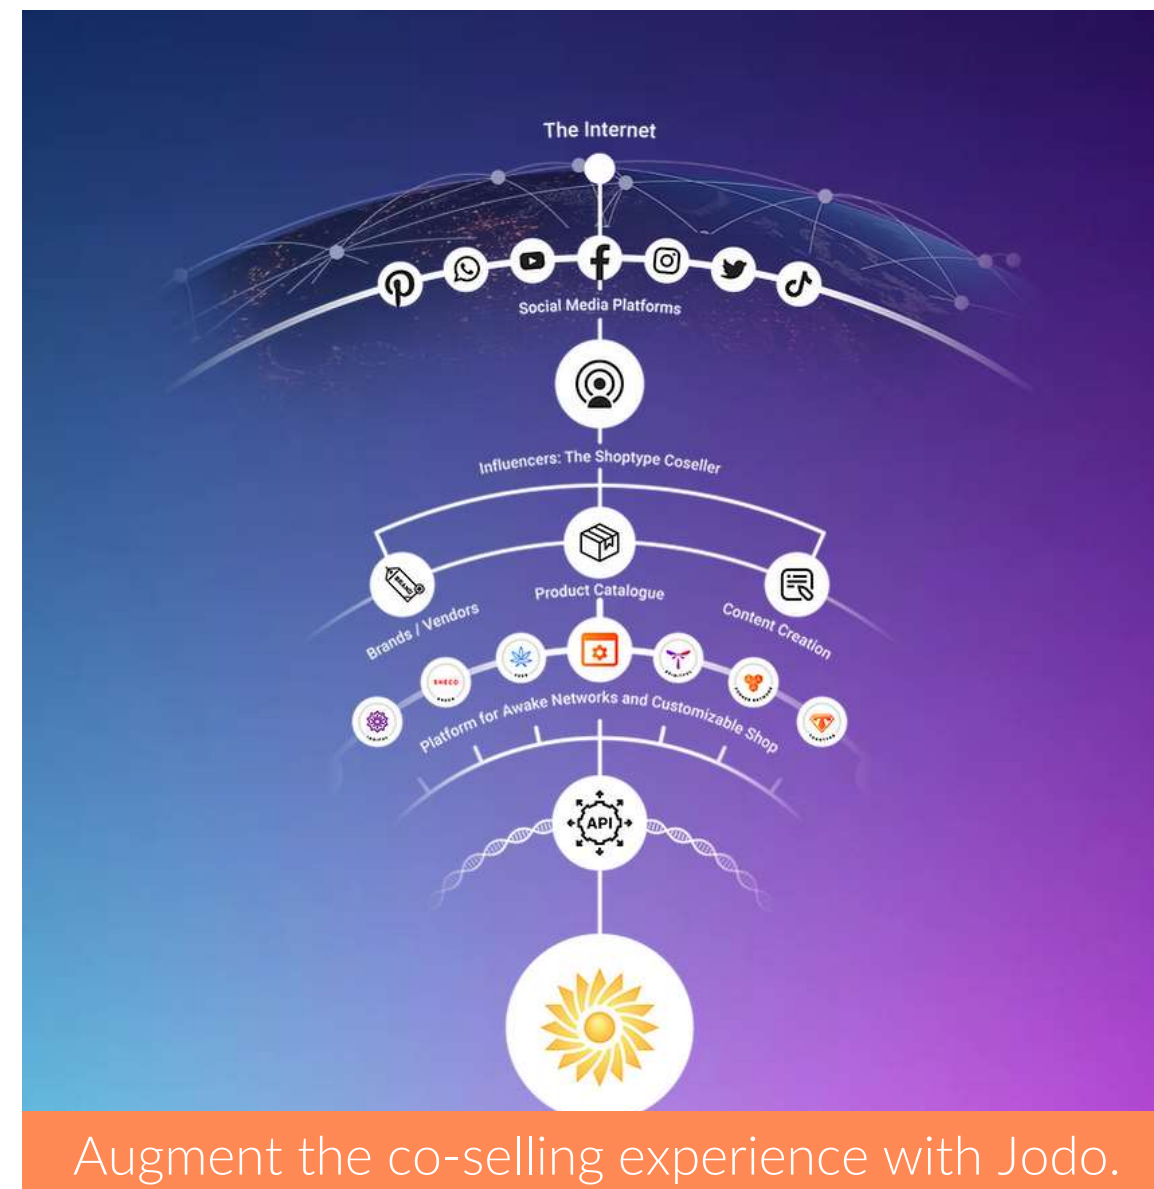

Direct Form integration for customers

- Sales Order Forms
- Invoices
- Booking Forms
- & Much More

Jodo Video, Voice & Chat directly integrated into your CRM or on the **Jodo Toolbar.**

Augment the co-selling experience with Jodo.

Jodo For Co-Selling

Omnichannel communications for Collaborative Co-selling

Jodo can be integrated into any exciting CRM both internal & external.

Skill based routing of calls based on

- Device Detection
- GPS & Location tracking
- Employee & Customer History
- Bandwidth to direct business actions
- Connections based on business objectives, & Customer Profiles

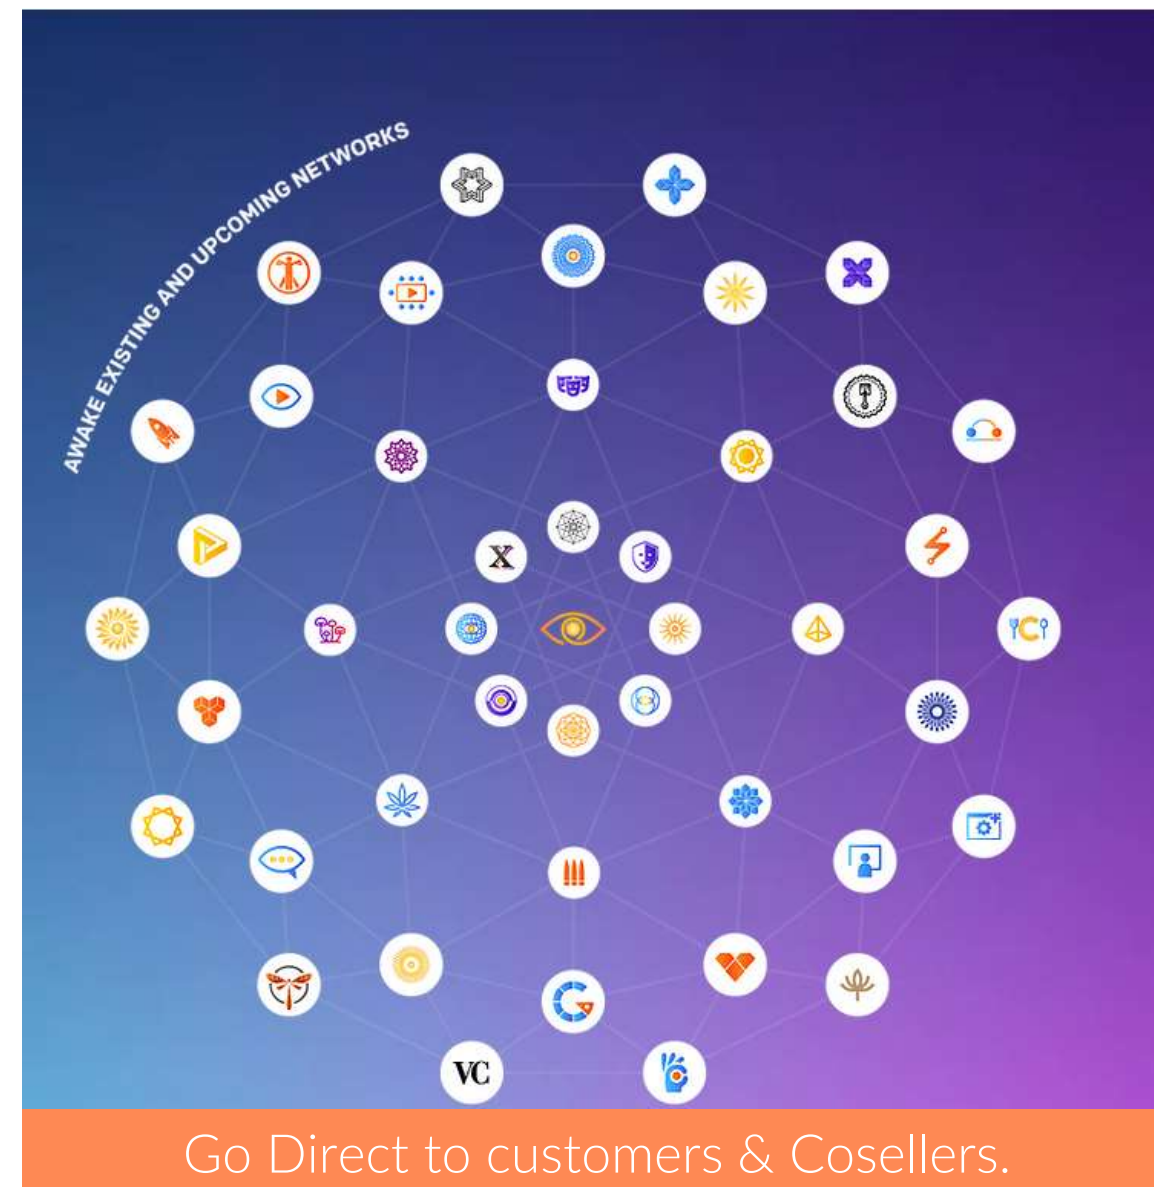

Based on Customer bandwidth Jodo Communications channels can be auto configured

- If video bandwidth is not supported in customer or business user side, we will switch to audio call or else to chat

Jodo Call guide can be used as a contact management system
